**2008**

On December 4, 2008, Special Partner, Conrad Meyer, was honored by Pro Bono Project as having 100+ hour volunteer for 2008. The award is given to recipients who volunteer 100+ hours to Pro Bono Project and only a select few receive this recognition each year. In 2008, Conrad was responsible for chairing and producing the first annual NOBA Young Lawyers/Harrahs Casino Poker Tournament benefiting Pro Bono Project. The event raised over \$12,000 in funding for Pro Bono Project and was attended by numerous lawyers/judges. Conrad put numerous hours into getting the project supported by Harrahs and approved by the Louisiana State Police. In addition, Conrad was equally helpful in securing sponsorships for the event. The event represented a first for the NOBA Young Lawyers in partnering with Harrahs Casino in putting on this worthwhile event.
